

Netball Otago Inc. has initiated a Supporters Club "the netties" to bring together current or past players, coaches, umpires, managers and administrators to help support our busy and successful Representative Programme. Netball Otago are committed to giving opportunities to coaches, managers and umpires who reside outside of Dunedin. These "volunteer" coaches and managers and umpires are very important to the sustainability and success of our region and the supporters club aims to assist with travel expenses. We aim to run five representative teams in 2010 starting with the Otago Challenge Team who compete in the Lois Muir Challenge followed by our three Age Group Teams (U19 and U21) and finishing with our top team who will compete in the Lion Foundation National Champs in September.

Being part of our Nettie club will give you free entry to any Netball Otago run events during 2010. You will receive a copy of our quarterly newsletter the Centre Circle Bulletin which will keep you up to speed with any news from around the region. As a member of the Netties club you will be first to know any netball updates and gossip!!! In addition you will automatically go into the draw to win one of four draws for a gift voucher from our supporters Erban Spa in Roslyn.

A minimum donation of \$100.00 per year is all it takes to help support our teams to compete and strengthen Netball in Otago. Our membership is growing slowly and we hope to develop an extensive network of past and present supporters. If you would like to become a member please fill in the registration form attached and return to Netball Otago Inc.

Should you have any questions or know other potential "Netties" please do not hesitate to contact us at Netball Otago Inc. We value your support.
